

SUZI SHELTON

"Her music is fun and upbeat. This whole album exudes sunshine."
~ Cherry Blossoms

"The award-winning singer-songwriter Suzi Shelton really knows how to get kids singing and dancing with her upbeat, poppy tunes, and her newest music video is no exception...it has us tapping our toes." - Time Out NY Kids

Suzi Shelton releases first full-length album since 2008:

Smile In My Heart (listen [here](#))

a feel-good for everybody collection of 12 original and traditional songs

"...if our recent road trip taught us anything, it's that the album has certainly resonated with my girls." ~ The Rock Father

Multi-award-winning Brooklyn-based artist **Suzi Shelton** launches three brand-new music videos along with her new album, and continues on her national concert tour this fall to celebrate the 2014 release.

The kid-tested original songs on **Smile in My Heart** were inspired by **Suzi's** family and the families in her life, and the traditional dance tunes feature lively parts from the banjo and fiddle, just right for grabbing a partner and taking to the dance floor. The album was produced by **Marc Bazerman**, and it features guest vocals by **Mike Messer** from the **Dirty Sock Funtime Band** as well as Chicago's **Little Miss Ann**.

GO. FIRE TRUCK. GO!

The call-and-response song "Go, Fire Truck, Go," also a top notch produced music video, is perhaps the most anthemic and energetic of the songs on the album, and definitely the most requested by her young fans. (see music video)

Suzi Shelton has been making catchy and meaningful music for families for more than a decade. She has performed at the **White House** and **Symphony Space**, and is a favorite among the hip tot set in her home turf of Park Slope, Brooklyn. The mother of two kids, **Suzi** also works and performs regularly with students at area schools.

As the **Brooklyn Spectator** notes, "When **Suzi Shelton** takes the stage with her guitar and her band, you know that something special is about to happen." She also recently launched a "Skype with Suzi" personal performance service, and she hosts a popular monthly webcast, where kids can message **Suzi** their favorite song requests during the live, interactive show.

“Seeing the world through the eyes of your child, and seeing your child for the simple beauty and joy that they are is something I get now that I’m a parent. And Suzi Shelton, a parent herself, has penned some songs that mimic my heart’s hopes and aspirations for my own children.”
